CHARLEROI MILITARY COMPANY TO BE PART OF BARNETT'S REGIMENT

Drilling to be Started That Volunteers May be Ready for Mexican Campaign

DIFFERENT FROM U. S. ARMY

The volunteer military company that will be organized in Charleroi for the Mexican campaign will be affiliated with a regiment that will be raised in the Pittsburg District by Col. James E. Barnett, a Spanish-American war veteran with the Tenth Regiment. The regiment will be known as the United States Volunteers and will be subject to duty only in case of a call from the federal government.

R. H. Rush and Dr. G H. Smith who are instrumental in the work toward the formation of a local company, are in communication with Col. Barnett and probably will visit him in an effort to procure the services of a drill sergeant. The idea is to start drilling at once to be prepared for any contingency that may come. There has been a response from several persons with money and promises of enlistment in the event of a call.

The regiment to be organized by Col. Barnett and his aides will be different to the national guard or regular army. If the regiment is called for duty it will be only for the Mexican campaign and as soon as peace is declared it will be mustered out of service. The difference between the volunteer regiment and the national guard or United States regular troops is that the last named are in service six years.

It is not the idea of those backing the movement to offer the services of the regiment haphazardly. It will be held in readiness to go to the front when needed and that is all. The probabilities are that Col. Barnett will be asked to assume the command of the regiment.

PRELIMINARY WORK PROGRESSES ON CLAIRTON BY-PRODUCT PLANT

Actual Construction of Ovens to be Under Way—Will Produce 450 Cars of Coke Per Day.

Preliminary work on the new by-product plant at Clairton is progressing rapidly and before the summer is past the actual construction of the ovens will be under way. As a result of this activity Clairton is a very busy town, something like Donora last summer during the erection of the zinc works. Hundreds of men are employed in construction work, and it will require several months in which to complete the contract.

It is estimated that this plant when completed will produce 450 cars of coke or a total of 22,500 tons every 24 hours.

GOVERNOR NAMES O'NEIL TO PLACE

New Insurance Commissioner Appointed for Unexpired Term of Johnson

Governor Martin G. Brumbaugh Thursday night announced that he had appointed J. Denny O'Neil of McKeesport state insurance commissioner. Mr. O'Neil says that he will accept the office. The term fixed by law is four years and the annual salary is $7,500. The oppointment must be confirmed by the Senate during the session next winter. Mr. O'Neil succeeds Commissioner Charles Johnson, who resigned in April.

The Governor also announced the appointment of G. Chal Port of Huntingdon to be state fire marshal. This position has been vacant since the first of the year, when Marshal Joseph L. Baldwin resigned to accept an office under the Philadelphia government. The salary of the marshal os $5000 a year. Mr. Port is a former captain of detectives of the Pennsylvania Railroad and a personal friend of the Governor.

SISTER OF CHARLEROI MAN DIES AT WAYNESBURG

Mrs. Catherine Eldred, a sister of F. P. McCloskey of Crest avenue, died at her home in Waynesburg Thursday night from a complication of diseases. She is survived by one son., H. Jarvis Eldred and five brothers and sisters. The funeral will be held at her home at 8 o'clock Friday evening. Interment will be at Lock Haven Sunday afternoon.

PIRATES TO BATTLE WITH CUBS JULY 4

On Fourth of July the Pittsburg Pirates meet their bitterest holiday rival—the Chicago Cubs, for two games at Forbes Field. morning and afternoon. the morning game beginning at 10:30 and the afternoon game at 3:00 o'clock.

Ever since the day Fred Clarke and Frank Chance took hold of the Pittsburg and Chicago Clubs the battles between these two teams have become synonymous with the most strenuous brand of baseball. And, now that the mantles of those two famous managers have fallen upon other shoulders—Jimmie Callahan now guiding the Corsaire while Joe Tinker heads the Cubs—the clashes between them have been fought on with just as much vim and spirit as ever.

At the present time the entire National League race could almost be covered with a handkerchief, there seldom being more than six or seven games separating the tail-ender from the leader; and as to the Corsairs and Cubs it has been nip and tuck for position with them all the way, a game or two sufficing at almost any time to put the one or the other in the lead. The series to date between the two clubs stands at 5 to 3 in favor of the Chicagoans, but those games were won by the Windy City contingent at a time when Callahan was having all kinds of ill luck in the way of sickness and injury to his athletes while he was trying to whip them into some sort of a regular line-up. Now the hustling "Jimmie" says he has at last gotten his machine in order and that he is ready for any of them, and particularly the Chicago Cubs. Mail orders for these games are now being filled by the Pittsburg Baseball Club as usual.

MONONGAHELA HONORS COMPANY A SOLDIERS

Monster Demonstration Given Thursday Evening on Eve of Their Departure for Mt. Gretna Ready for Active Duty in War

One of the largest demonstrations held in many years in Monongahela was that Thursday night when Monongahela turned out enmasse to pay homage to the members of Company A of the Fighting Tenth who leave this evening for the mobilization camp at Mt. Gretna.

Monongahela proved itself justly proud of its military command; composed of the flower of thecity's young manhood, Company A is representative of the oldest and the best families in the city.

Just before noon it was decided to hold a celebration and within the hour dozens of committeemen were at work rounding up the different plans and by early afternoon a monster demonstration was assured. C. H. Landefeld was named chairman, George Anderson secretary and W. S. Shepler, treasurer. W. T. Van Voorhis was chosen chief marshal and was successful in engineering a very successful pageant.

The column formed at Chess and Second streets and marched over the principal streets of the city. Among the organizations participating were the following: Siege of Acre Commandery, Knights of Malta, Star of the Valley Council, Jr. O. U. A. M., Starkweather Circle, G. A. R., Hawkins Camp U. S. W. V., Monongahela Camp,Sons of Veterans, Monongahela Volunteer Fire Department.

There were half a dozen bands in the procession, more than a hundred automobiles, hundreds of school children and scores of pretty maidens doing honor to their sweethearts, brothers and friends.

WILL 1916 BE MERE REPETITION OF 1816?

The theory that meteorological phenomena repeat themselves in cycles is advocated by certain students of weather of the past of the United States. Basing his point of view on the phenomenally cool weather of this June, as recorded up to date, Abram Wakeman, secretary of a committee of several patriotic and historical societies of New York, writes about the marvelous summer weather of 100 years ago, intimating that the cycle of icicles may be celebrating its centenary pretty soon.

Just 100 years ago, he says, came the "great cold summer." There were eighteen inches of snow in certain sections in June, ice in July and frosts in August, and the crops were ruined. The newspapers of the day, Mr. Wakeman writes, "gives accounts of the weather conditions that seem almost incredible." For instance, the Salem (N. Y.) Gazette of June 11, 1816, said:

"At 10 o'clock on Saturday morning we had a slight snow. On Sunday morning ice water was drawn from the well at the toll house on the turn-pike after sunrise and there was frost again on Sunday evening A gentleman arrived in town from a journey said that in the upper part of this state on Saturday large icicles formed the foilage of the forests was plated with frost."

The Albany Argus of June 14, 1816 reported snowfalls the week before and a temperature below 32, the freezing point two or three times. The diary of John L. Balcome of Ticenderoga said that on July 4, 1816, "there was ice as thick as window glass" on many ponds in New York, and that "August was the worst of all, and snow fell more or less the entire month." The New York Spectator of July 12, 1816, remarked: "Our friends from the country inform us that on Monday morning frost was visible in the lowlands. The cool weather of the four or five days past has given a check to vegeation. Accounts from Maine. New Hampshire and Vermont are melancholy."

The local meteorlogists were not inclined to believe that meteorological history was going to repeat itself this summer, which arrived at 1:16 p. m. Wednesday. There has been a weather bureau of Uncle Sam in business thirty-three years and it has never found anything approaching the phenomena of the 1816 summer in those thirty-three years.

W. R. BAILEY BASEBALL TEAM OF MUCH RENOWN

A big attraction is promised at the baseball grounds tomorrow when the strong Allegheny County league club W. R. Baileys will behere to play the strong Pittsburg Steel Products team. Even the threatening war has not served to dimish the interest the Products' people are taking in their local games. and tomorrow's struggle with one of the best teams in the Pittsburg district is expected to be seen by a large crowd.

Manager Regester will send as a battery against the visitors the Gray-Courtley combination, with Edwards in reserve if needed to take Gray's place. Lefty Bischner of Allegheny County league fame will pitch against Charleroi.

DETECTIVE BERT LAIRD HAS JOINED CAVALRY

Bert M. Laird, one of the county detectives since the first of the year, has resigned his position and has joined Company H, First Pennsylvania Cavalry of Pittsburg. He left for Pittsburg to join his command and will entrain for Mt. Gretna today.

CAPTAIN HARTLAND ORDERED TO TAKE 80 MEN WITH COMPANY A

Monongahela Organization Makes Preparations to Depart Tonight

CHARLEROI YOUTHS ENTIST

Orders were received this morning by Capt. E. W. Hartland of Company A, Tenth Regiment at Monongahela to proceed with 80 men tonight to Mt. Gretna, joining other companies of the regiment in Pittsburg. He is to leave behind recruiting officers to recruit the command up to 150 men. Upon this number being secured they will join the regiment, where the regiment happens to be.

Company A will depart from Monongahela tonight at 5 o'clock. A parade will start at 4:30 beginning at the Central school building and proceeding toward the station. School children, patriotic societies, veterans of other wars and others will participate.

Capt. Hartland will leave as a recruiting party Lieutenant Walter Scott and two privates. They will secure enlistments as rapidly as possible from Charleroi, Donora, Monessen, Monongahela and nearby points. The summons to Company A has about stripped Monongahela of its finer class of young manhood and the remainder of the company will mostly have to come from other points.

The effect of the new army law preventing married men from being called to the colors was made conspicuous in Company A affairs this morning when it was learned that First Sergeant Peter Rocco and Quartermaster Sergeant James Clark Ford were informed they could not accompany their command. Capt. Hartland appointed E. D. Steinman, Jr., as first sergeant and Charles M. Markell quartermaster sergeant to succeed them.

A recruiting party in Charleroi Thursday afternoon secured three enlistments, Earl Wagner, James Geekie and Leroy Carson. From Monessen Josiah Cramer and Louis Scales enlisted and from Donora William M. Randall, Joseph Hill, Otto Herrington and Carl Robinson gave in their names. Harry Gilmore John M. Taylor and Mike Bindie of Belle Vernon and Robert Glascoe of Fayette City are others who have joined the colors. This morning Capt. Hartland stated he had 92 men enlisted Since the recruiting began 35 names were added to the list.

PROTECTION OF INDIAN CREEK MAY STOP COAL DEVELOPMENT

Pennsylvania Railroad Serves Notice That Discharging of Sulphur Into Water Must Stop

A big legal battle was indicated this week when the Mountain Water Supply Company, a subsidary of the Pennsylvania Railroad Company, served notice on mine operators and owners of coal in the Indian Creek Valley and to those along streams tributary to it that "all actions and proceedings it may be legally entitled to will be taken in order to protect the purity of its water supply."

The fight is against the discharge of sulphur water from the mines into Indian Creek or tributaries and follows action started more than a year ago. At that time mine owners were notified to divert mine waters which threatened to destroy the usefulness of the company's supply system.

If the water company can support its case in court it would interfere with the development of thousands of acres of coal.

PLAN MOTORCYCLE RACES ON FOURTH

Professional and Amateur Events to be Decided—Arrangements Under Way

Under the auspices of the local organization of the Federation of Motorcyclists, and as a part of the entertainment in connection with a week's shows to be held in Charleroi for the local hospital, Motorcycle races will be held on Fifth street Fourth of July morning. Arrangements are now under way for the event.

There will be two events, as now planned, one of them for professionals and one for amateurs, with prizes for winners in both. The professional race will carry with it cash prizes and the amateur contest a silver loving cup.

Entries will be received by C. W. Albright, Jr., at his Excelsior motorcycle shop at 327 Fallowfield avenue. The events will be open to members of the F. A. M. and those who wish to participate but who are not now members may do so by joining the organization. The race will be against time, with the starting point at the railroad station and the finishing point at the Fifth street school building at Meadow avenue.

LOSSES.

The strength of a life insurance company depends chiefly on the small mortality of its policyholders, the earning power of its investments and the economy of its management. In no less degree, says the Washington Observer, the strength of the American industry depends upon the extent of its losses through industrial failures, the high earning power of manufacturing institutions that employ labor, the relative economy of operation made possible by operation at full capacity. The protective tariff is a measure that keeps production at full capacity, insures constant employment at good wages and reduces to a minimum the losses by commercial failure. Every man who wants insurance in a safe life insurance company should also want the economic policies of the United States maintained by a party that believes in a protective tariff.

Something the Business Men's Association might well take up at their next meeting is that of proper traffic regulations in the borough and the best means for enforcement of them. Mere warnings against speeding and similar offenses or threats of punishment, do not bring the desired results. What is needed is concentrated action.

SERIOUS TROLLEY WRECK IS BARELY PREVENTED AT MINGO

Guard Rail Diverts Car Back Toward Track—Big Charleroi Car Travels Along Ground Considerable Ways.

The lack of ties, leaving a smooth path for a big Pittsburg-Charleroi street car and the presence of a guard rail to divert it toward the track are said to have prevented a serious wreck on the Pittsburg-Charleroi line between [illegible] and Monongahela this morning at 8:30 o'clock. The car jumped the track and ran along the ground for a considerable distance before it turned for the tracks again and stopped without anybody being hurt. There were a number of passengers aboard. Freeman Johnson was the motorman and Morgan Elder the contractor. Both stuck to their car though it appeared for a time that it was going over the bank.

PROF. GEORGE G. HERTZOG RESIGNS AT CALIFORNIA

Not only the many alumni present for commencement, but hundreds all over the country were interested Thursday in a reception at California at the Southwestern Normal School, when Prof. George Gans Hertzog, father of Principal Walter S. Hertzog, and for the past 30 years professor of mathematics at the normal retired.

Prof. Hertzog, who will be 79 years old September 22, is a native of Fayette county, and a graduate of California Normal, where he joined the faculty in March, 1886, as an instructor in mathematics. Prior to entering the Normal School he had been graduated from the old Smithfield Academy long since abandoned.

HIS OWN STORY HOLDS A THRILL FOR THOUSANDS

Well-Known Pittsburger is Qualified To Speak For Multitude.

The story told by E. C. Byers of 347 Pear Street, a well-known Pittsburg butcher, will strike home to many hundreds of men and women. In the recital of his sufferings he might have been spokesman for a multitude for in all cities there are legions who will recognize as their own, Mr. Byers' statement:

"I had constant spells of choking and coughing because of the secretions of mucus in my nose and throat, which I eventually swallowed as I slept and which finally affected my stomach. I would wake four or five times a night because of the choking sensations. Rarely did I ever get a night's rest.

"When I decided to take a remedy a friend said: 'You will not make a mistake if you try Tanlac.' I believed him. I have used two bottles and Tanlac has helped me so much that I just want to tell every one what it has done for me. My catarrh has practically gone entirely. I sleep much better and my sense of taste and smell that were badly affected have improved wonderfully. My appetite, too, has come back and I feel like I could eat eight or nine times a day. The pain over my eyes and in other parts of my head his disappeared. I get up in the mornings with a clear head and not all stuffed up and dizzy as formerly."

Tanlac is now sold in Charleroi exclusively by Pipers Pharmacy where the premier preparation can now be had.

DRUGGISTS KEPT BUSY

People Everywhere Are Enthusiastic Over "Neutrone Prescription 99"

Hundreds of bottles of Neutrone Prescription 99" are being sold and druggists say this is the greatest remedy they have ever handled. So great a demand for a medicine has some good reason back of it, and in the case of Neutrone Prescription 99" the reason is its wonder-working curative power in all forms of rheumatism.

Inflammatory Muscular and Sciatic Rheumatism are quickly subdued, the pains of Neuralgia are banished, swollen joints and painful muscles disappear, the blood is purified and the general health improved when Neutrone Prescription 99" is used.

This successful prescription is the tried remedy of a famous specialist used in his practice for years.

To place this "Neutrone Prescription 99" within reach of all the price has been fixed at 50c and $1.00 the bottle. A short trial will show results convincing to the most skeptical. Get a bottle today and say "good bye rheumatism." For sale by Hennings Drug Store.

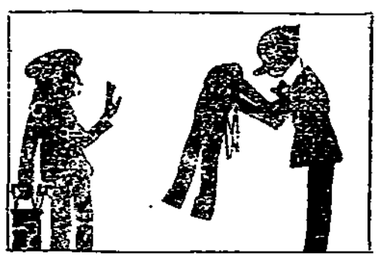
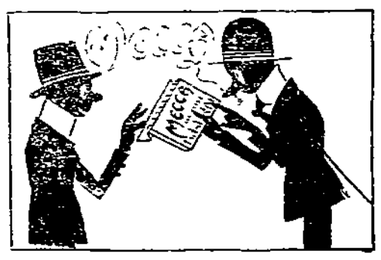
Ain't It The Truth?

You don't listen very hard when a total failure tells you how to get rich:



You don't call in a plumber when you want your pants pressed, nor a piano tuner when the baby has the mumps:



You don't want any wrong numbers in the smoke line, either:

You want MECCA!

Ain't It The Truth?

MECCA CIGARETTES

Our experts in Turkey watch the planting and cultivation of the tobaccos for MECCA. That's why the MECCA Turkish Blend is always the same.

MICHELIN

MICHELIN
Red Inner Tubes
have a world-wide reputation for durability for the following reasons:
1st: Michelin Red-Rubber Tubes are compounded of certain quality-giving ingredients which prevent them from becoming brittle or porous and which preserve their velvety softness indefinitely.
2nd: Michelin Tubes are not simply pieces of straight tubing with their ends cemented, but are formed on a ring mandrel to exactly the circular shape of the inside of the casing itself and consequently fit perfectly.

SPENCER AUTO GARAGE, CHARLEROI PA.

Michelin Red Inner Tubes give the utmost economy and satisfaction.

Stop Winding Bobbins

Stop Wasting Your Time.

Stop the wear and tear on your nerves.

Stop spoiling your sewing.

Get the newest sewing machine in the world. Get the greatest sewing machine in the world---the sewing machine that hasn't a bobbin.

There are lots of better ways of spending your time than winding bobbins.

There are plenty of other things to try your patience beside having a bobbin to run out in the middle of a seam and spoil your work. The bobbin is out-of-date—a back number—belongs in the class with tallow candles, stage coaches and spinning wheels.

THE ELDREDGE TWO SPOOL SEWING MACHINE

is the sewing machine of TODAY---the time-saving, nerve-saving, easy running sewing machine you women have always wished for. It's the sewing machine that keeps pace with modern times—the sewing machine that belongs in the age of telephones and areoplanes and automobiles. It is the ONLY sewing machine in the world making a lock stitch that does away with the nuisance of bobbins. It is the ONLY sewing machine that has ever been made to sew with two threads without a bobbin.

Free Demonstration

COME IN AND SEE IT. COME IN AND SEE THE most wonderful invention the sewing machine world has ever known. Come in and SEE it with your own eyes and TRY it with your own hands. Come in and see what a MODERN sewing machine is like. Come in and see the sewing machine that does away FOREVER with the BOTHER AND NUISANCE OF BOBBINS.

FOUR WEEKS IN HOSPITAL

Mrs. Brown Finally Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio.—"For years I suffered so sometimes it seemed as though I could not stand it any longer. It was all in my lower organs. At times I could hardly walk, for if I stepped on a little stone I would almost faint. One day I did faint and my husband was sent for and the doctor came. I was taken to the hospital and stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse said for me to try Lydia E. Pinkham's Vegetable Compound. I began taking it that very day for I was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home."—Mrs. W. C. BROWN, 1109 Auburn Avenue, Cleveland, Ohio.
